

Thank you for your interest in a Family Summer Holiday here at Adventure Bude.

A week with us is a perfect opportunity for families and friends to spend time together in a truly wonderful venue, based right in the heart of Bude not more than 200m away from the beach! The North Cornish coast is one of the most picturesque parts of the country and a stay in Cornwall is guaranteed to relax and revive all!

We strive to make your holiday as flexible and affordable as possible, and to ensure this we offer numerous options for a stay with us. You are able to choose between using us as a base for your holiday with accommodation only or opt to join us for meals with either bed and breakfast or half board available. At the end of your day the bar and gloriously positioned balcony will be open to unwind and finish your day watching the sunset over the Atlantic.

On top of this you can then choose to get active during the week by joining us on our programme of activities. Each morning and afternoon there will be activities on offer which you can choose to take part in, incurring a reduced supplementary cost, or use the time to go and explore, enjoy the beach or do whatever you wish!

Throughout your stay we are also pleased to offer free wi-fi and parking.

Children are the heart of Adventure Bude and are very welcome here at the Centre. Unfortunately, due to our insurance, children under the age of 7 are unable to take part in activities. However, Bude and the surrounding area offers a multitude of other activities which will keep them and the rest of the family happily entertained during your time with us.

All of our bedrooms are multi-single-bedded, with en-suite bathroom facilities. Although there may be more beds in your room than you require, you will not be expected to share with anyone outside of your group. All bed linen is provided but you will need to supply your own towels and toiletries.

This year's holidays are available for any duration from July 25th — August 29th and we can't wait for you to join us!
